**SWORN STATEMENT**

For use of this form, see AR 190-45; the proponent agency is PMG.

**PRIVACY ACT STATEMENT**

**AUTHORITY:** Title 10, USC Section 301; Title 5, USC Section 2951; E.O. 9397 Social Security Number (SSN).  
**PRINCIPAL PURPOSE:** To document potential criminal activity involving the U.S. Army, and to allow Army officials to maintain discipline, law and order through investigation of complaints and incidents.  
**ROUTINE USES:** Information provided may be further disclosed to federal, state, local, and foreign government law enforcement agencies, prosecutors, courts, child protective services, victims, witnesses, the Department of Veterans Affairs, and the Office of Personnel Management. Information provided may be used for determinations regarding judicial or non-judicial punishment, other administrative disciplinary actions, security clearances, recruitment, retention, placement, and other personnel actions.  
**DISCLOSURE:** Disclosure of your SSN and other information is voluntary.

1. LOCATION BLDG 7, Room 318, 3rd Floor	2. DATE (YYYYMMDD) 2010/11/17	3. TIME 1030	4. FILE NUMBER 15-6 Whistleblower
5. LAST NAME, FIRST NAME, MIDDLE NAME [REDACTED]	6. SSN [REDACTED]	7. GRADE/STATUS GS-0085-08	
8. ORGANIZATION OR ADDRESS DES, ANAD.			

9. I, [REDACTED], WANT TO MAKE THE FOLLOWING STATEMENT UNDER OATH:

1. Statement. I am a GS-0085-08 (Security Guard) (OPM Career Field and Grade) who was hired in 23 May 1999 (day, month, year) and I'm currently assigned to the Directorate of Emergency Services, Anniston Army Depot.  
 2. Q: To the best of your recollection what security force training did you receive prior to being hired at ANAD?  
 2. A: MP from 1977-1998. Retired as an E-8 (First Sergeant) DA Guard from 1998 to present.  
 3. Q: What shift do you work at DES, ANAD?  
 3. A: Day shift, 1st shift.  
 4. Q: What is your current security post (post number, gate number, or patrol number)?  
 4. A: Supervisory Security Guard and FTO.  
 5. Q: Are you certified in the Chemical Personnel Reliability Program (CPRP)?  
 5. A: Yes.  
**UNIFORMS:**  
 6. Q: What insignia (DA Police or DA Guard) do you wear on your cap, shoulder, and badge?  
 6. A: DA Police and LT rank.  
 7. Q: Since your hiring have you worn the same insignia? If no, when did it change and what changed?  
 7. A: Yes. GS-0085-05 to a GS-0085-06 under [REDACTED]. Went to SRT for 4.5 years where I became a GS-0085-07. Previously worn the DoD Police patch instead of the DA Police. May have changed around 2004 or 2005.  
**Training:**  
 8. Q: Did you receive any local security force training after you were hired at ANAD?  
 8. A: Yes. DoD Police training, it was two weeks long. [REDACTED] was my Training Officer.  
 9. Q: Did the training include formal classroom training and hands-on training?  
 9. A: Yes - both.  
 10. Q: If you received security force related training, how soon did you receive it after you started working for the Directorate of Emergency Services (DES) at ANAD?  
 10. A: Immediately, it was specialized training for the gates and posts.  
 11. Q: To the best of your recollection, if you received initial security force related training, how long was the security force training?  
 11. A: Yes, 2 weeks long in classroom, at ranges, M113 APC training. Followed by specialized training at the gates and posts.  
 12. Q: Do you have a current Training Officer and have you had more than one?  
 12. A: [REDACTED] is my current Division Level (day shift) Train [REDACTED] and has been so for approximately 1 year. I have had others. [REDACTED] is the Directorate level training officer. [REDACTED]

STATEMENT OF

TAKEN AT 1030

DATED 2010/11/17

9. STATEMENT (Continued)

13. Q: Name your current and former Training Officers?

13. A: See answer for question 12.

14. How long have you had the same Training Officer?

14. A: For approximately 1 year.

15. Q: Prior to being posted to your first security assignment or post, by yourself, did you receive any on the job related training?

15. A: I received specialized training for the posts that I was assigned to. This was after the classroom and paired-up training. I was teamed-up with experienced guards.

16. Q: Did the training include being paired with an experienced DES security force member who had performed the security duties at that location?

16. A: Yes.

17. Q: Do you feel you received adequate security training to perform the required tasks at your assigned security post/s prior to being assigned to that post/s?

17. A: Yes.

18. Q: What would you do if you were confronted with a task or situation, while at your security post, and you were unsure as to how to proceed?

18. A: Anything not covered in the SOPs of special instructions I would contact my supervisor. My supervisor would be a LT.

19. Q: Are you familiar with the term Field Training Program (FTP)?

19. A: Yes.

Security Force Duties:

22. Q: Do your current security force duties include any security guard/protective services functions? If yes, describe.

22. A: Yes, I'm a shift LT and Supervisory Guard. I perform routine guard duties are part of my normal job. I perform perimeter security checks, entry and access control for vehicles and individuals, and vehicle and personnel escorts. I also respond to any issues that occur during my shift in my patrol area.

23. Q: Do your current security force duties include any law enforcement/security police functions? If yes, describe.

23. A: Yes. Recently a DA Guard and DA Police Officer on shift with me respond to two trespassers in the campground area who were determined to be escaped sex offenders from California. We detained them. They were interrogated by our Criminal Investigators and turned over to the Calhoun Sheriff's Office. I also run radar, issue citations, enforce traffic regulations, write tickets and process cases.

24. Q: Is an SOP or post instruction that outlines your duties for your daily security assignment available to you at your duty location (post, vehicle patrol, etc.)?

24. A: Yes. A set of SOPs are at every post and each DA Guard or Police Officer has a copy of the POIs, SOPs, and an individual ST manual for specific tasks. The individual is issued the items and must have the SOPs and POIs with them at all times (usually in their patrol bag with their protective equipment and other security-related equipment).

25. Q: Have you observed a Guard perform law enforcement/security police functions? If yes, describe when, where, and how?

25. A: See answer to question 23. It is daily occurrence for example two person patrols and gates/posts.

26. Q: Have you observed a Police Officer perform security guard/protective services functions? If yes, describe when, where, and how?

26. A: Yes. As outlined in answer to question 22. I don't see a difference.

Training Officer Questions:

27. Q: How long have you been a Training Officer at DES, ANAD?

27. A: As a member of the SRT for approximately 4 years and then Acting SRT Chief for approximately 8 months. At that time I was not appointed on order but I did evaluate, participate, and ran ranges, scenario based training, and Chemical Accident Incident Response Activity (CAIRA) Training. For approximately six months I've been assigned as an FTO.

28. Q: How many police do you have assigned to you for training?

28. A: At one time we had 22 DA Police officers going through the FTP. 4 of those were assigned to me. Currently 2 DA Police Officers are in the FTP. Because of rotating shifts 4 days on and 3 days off different FTOs can provide training to a specific DA Police Officer. I also provide routine recurring security training to DA Guards and Police Officers on my shift.

29. Q: How many Guards do you have assigned to you for training?

29. A: An estimated 16 DA Guards

INITIALS OF PERSON MAKING STATEMENT

PAGE 2 OF 3 PAGES

9. STATEMENT (Continued)

30. Q: How many police and guards do you have enrolled in the FTP?

30. A: None are assigned to me, but 2 DA Police Officers are undergoing FTP within my Division. No new guards have been hired since around 2008. Guards would receive similar training but it is not listed under the FTP. They would receive the ST 0085 training.

31. Q: What is included and how do you present FTP related training?

31. A: It is designed from the ST 0085 and ST 0083 FTP. It includes specialized specific installation training for all posts and patrols including the chemical area. We use the DOR (daily observation report) and weekly progress report to document performance and progress. It is based on four phases, over four weeks. The last phase is a shadow phase for several hours per day.

32. Q: What local security training do you present to new Guards and Police that are hired by DES, ANAD?

32. A: When I arrived we did 2 weeks of training and it has been upgraded to 4 weeks and is done at the Directorate level. This has been going on since approximately 2006, when the revised AR 190-56 came on board. This is separate from the external Police Officer Academy training and FTP. It includes class room, hands on, CPR, ranges, M113, chemical, first aid, legal, use of force, deadly force, report writing, and from and procedures for law enforcement operations - just to name a few.

33. What local training do Police or Guards receive before being assigned to a specific post? Are there any differences in the training each receives/ If so, describe?

33. A: There is no difference. Specific training includes handling chemical protective equipment, VIPs, badge exchange, escort procedures, etc. This training is specific to a post or patrol and the individual will normally be paired with an experienced DA Guard or DA Police officer. This training can last several days.

34. Q: How do you document FTP Training?

34. A: Each Police Officer receives a DOR and weekly progress report. These reports are filed in the FTP Book. The Police Officer, The FTO, and the Senior FTO all sign off on the forms. The FTP can take 6-7 or more weeks to complete because of mission, leave, external training, and work rotations.

35. Q: Do you know of any other persons who might have useful information with regard to the subject of this 15-6 investigation or any other information or documents you believe may be relevant to this inquiry. If so, identify the individual/s or relevant information, and provide a copy of the documents.

35. Yes. I think it would have been better if when the DA Police Officers were hired that they also had their own DA Police LTs and chain of command within DES. That was not done. Instead we have DA Police reporting to senior DA Guards who have been here for a long time. This has caused some natural tensions between DA Police and Guards. These frictions did not exist before the DA Police were hired. I understand overtime as DA Guards positions are vacated they will be converted to DA Police positions.

6. SSN: [REDACTED]
7. GRADE/STATUS: GS 301-13
8. ORGANIZATION OR ADDRESS: DES, ANAD

9. I, [REDACTED], WANT TO MAKE THE FOLLOWING STATEMENT UNDER OATH:
1. Statement. I am a GS 0301-13 (OPM Career Field and Grade) who was hired in 2 March 2009 (day, month, year) and I'm currently assigned to the Directorate of Emergency Services, Anniston Army Depot as the Deputy Director of Emergency Services.
2. Q: To the best of your recollection what security force training did you receive prior to being hired at ANAD?
2. A: Prior to my hiring as the Deputy Director I served 24 years active duty in the Army. During the last 18 years of active duty, I was a Military Police Officer and retired as a Major. During my military police career I spent 13 years as Provost Marshal or Director of Emergency Services while the remaining time was as a company commander or MP Operations Officer at a MP station. I have received hundreds of hours of civilian law enforcement training including specialized law enforcement training. I was certified as a reserve deputy sheriff in the both Washington state and South Carolina and as a reserve police officer in the state of California. Prior to taking this job, I was employed full time as a deputy sheriff in South Carolina.
3. Q: What shift do you work?
3. A: I do not work shift work. I work the ANAD compressed work schedule and have set work hours.
4. Q: Are you certified in the Chemical Personnel Reliability Program (CPRP)?
4. A: I am IRP. Although I met and continue to meet all requirements for CPRP, it was determined by command that I did not need to be put in the program.

UNIFORMS:
5. Q: What insignia do DA Guards and Police Officers wear that are assigned to DES, ANAD?
5. A: All DA Police and Guards wear the same patches and badges. They are the identified DA police badges and patches from AR 190-56 shown at Figure 6-1 and 6-3.
6. Q: Since your hiring, have DA Guards and DA Police worn the same insignia? If no, when did it change and what changed?
6. A: Since my arrival in March 2009, the uniforms they wear today are the same except for the addition of the US Flag on the right shoulder.
7. Q: Did you make the initial decision for DA Guards and DA Police to wear the same insignia? If No, who did, if known, or when, was that decision made?
7. A: This happened years ago before my assumption of duties as the Deputy Director. I am not sure who made the final approval.
8. Q: What regulatory guidance has been cited by ANAD that supports the DA Guards wearing DA Police insignia?
8. A: AR 670-10 provides some guidance on the uniform requirements and paragraph 2-25 allows commanders to substitute the words Police for Guards. I do know that the DA Police have only been at ANAD since late 2008. Prior to that, only guards were working at ANAD and worked in the capacity of police officers based upon all of the functions that they performed.

THE BOTTOM OF EACH ADDITIONAL PAGE MUST BEAR THE INITIALS OF THE PERSON MAKING THE STATEMENT, AND PAGE NUMBER MUST BE INDICATED.

STATEMENT OF [REDACTED]

TAKEN AT 1330

DATED 2011/11/17

9. STATEMENT (Continued)

9. Q: Has the insignia DA Guards wear within DES, ANAD been the subject of inspections and what were the results of these inspections?

9. A: Nothing during my tenure. However, an AMC IG Report in 2002 did raise the issue.

10. Q: Has any documentation been signed by a previous commander in response to an inquiry or finding during an inspection as to why DA Guards were wearing police Insignia? If yes, when, what inspection, and who signed the memorandum?

10. A: I am not aware of any, though [REDACTED] believes a memorandum exists and it is being looked for.

11. Q: In your capacity as a leader within DES, how many commanders and which commanders have you briefed with regard to DES uniform related issues, including but not limited to the continuation of DA Guards wearing DA Police insignia?

11. A: I have only been involved with one briefing and that was to [REDACTED] Chief of Staff and [REDACTED] Director, DES back in February 2010. The issue had been raised by members of the DES police force about the police patches/badges worn by guards. At the meeting two courses of actions were discussed. Those being 1) wear according to revised new AR 190-56 or 2) continue status quo. Due to the cost of around \$14,000 to replace all badges and patches of the guards, [REDACTED] decided to keep status quo and as guards departed and replaced with DA Police, the change would come over time. It was my understanding that he would brief the Garrison Commander on this action. I don't know if this took place or not.

12. Q: Were there any operational, esprit de corps, or financial reasons which supported DA Guards wearing DA Police insignia?

12. A: As for operational, over the years, the DA Guards have always worn some type of badge that said police and based upon historical knowledge of personnel assigned, they have always performed law enforcement duties since they were the only security force for ANAD. There were no DA Police until late 2008. As for esprit de corps, the guards had always been doing the law enforcement and guard functions for the Depot before the DA Police were hired. There are nearly 3 times the amount of guards compared to DA Police. Changing things mid-stream due to a management decision to hire DA police vs. DA Guards, would have in my opinion caused dissention amongst the ranks. As mentioned in question 11, the cost would have been nearly \$14,000 to retrofit the badges and patches for the DA Guards. This figure was based upon two badges and 10 patches per guard.

13. Q: Based on your professional experience, of the two regulations (AR 670-10 and AR 190-56), which do you believe takes precedence with regard to the wearing of DA Guard and DA Police insignia? Why?

13. A: I believe AR 190-56 since it is the most current regulation.

Training:

14. Q: Who is responsible for establishing DES, ANAD's security force Training Program?

14. A: The Director has overall responsibility for ensuring a complete and robust training program. However, the DES here and elsewhere rely largely on training guidance, plans and policy from outside agencies like USAMPS/OPMG as well as higher headquarters when establishing annual plans.

15. Q: Does DES's security training include formal classroom training and hands-on training?

15. A: Yes it has both. Some training may require only presentation while some require both. For example, weapons training requires briefing material as well as hands on for marksmanship instruction and for actual qualification.

16. What are the local and external components of the DES, ANAD's Security Training Program for DA Guards and DA Police? Are they different? If so how and why?

16. A: The ANAD DES uses training material from USAMPS as well as local SOP's/POI's to train personnel. There is often specialized training that is directed from higher headquarters. An example of that would be Suicide Prevention.

17. Q: How soon do DA Guards and DA Police receive local security training after an individual starts working for the Directorate of Emergency Services at ANAD?

17. A: It starts the first day they are hired which is a Monday (first work day of the pay period). First stop for a new employee on day one is the local CPAC. After in-processing, they are picked up by a DES employee and moved to Building 66 (training BLDG) where they start a formal training of 160 hours. This is not the FTP.

18. Q: How long is the local initial security force related training?

18. A: As mentioned in #17, it is 160 hours [REDACTED]

INITIALS OF PERSON MAKING STATEMENT [REDACTED]

PAGE 2 OF 9 PAGES

[REDACTED] 19. Q: Who manages, presents, and documents the security force training for individual DA Guards and DA Police Officers?

19. A: Training could be conducted by a number of personnel or agencies depending upon the topic. The DES training officer has the responsibility for publishing training guidance (approved and signed by the Director) and then it is delegated down to division supervisors to conduct a majority of the training. Again, there may be some training that must be conducted by others (legal teaches ethics). Training records are kept by the respective divisions as well as the training officer. [REDACTED] is the Acting DES training Officer, he recently accepted the training position for the Depot.

20. Q: Does each DA Guard and DA Police Officer have a Training Officer and have they had more than one? Why?

20. A: Each individual guard or police officer doesn't have a specific person assigned as their official training officer. There are multiple supervisors within a division that are qualified to teach and manage training. This has to be done due to the nature of shift work. Each person knows who their rating officials are, but rating and training don't have to be linked together.

21. How long is an individual DA Guard or DA Police Officer assigned the same Training Officer?

21. A: Again, they don't have a specific training officer.

22. Q: Prior to being posted to their first security assignment or post by themselves, what security training does a DA Guard or DA Police Officer receive? Is the training the same or different for a DA Guard or DA Police Officer serving at the same post?

22. A: All new employees go through the 160 hours of new hire training. This covers multiple topics that are general in nature to police/guard work and addresses specifics at ANAD. It doesn't matter whether they are a DA Guard or Police, they all receive the same initial 160 hours. After completion of the 160 hours of training, the new employees are released to their respective divisions for further On the Job Training. This lasts for several weeks dependent upon the employee and learning curve. Some are able to grasp ideas/concepts better while others may take more time. Personnel are rotated around various locations from patrol to fixed posts in order to learn all facets of what their job may encompass.

23. Q: Does the training include being paired with an experienced DES security force member who has performed the security duties at that location?

23. A: Yes. New hires are paired with multiple experienced personnel.

23. a. Q: Are DA Guards paired with New DA Police Officers? If yes, why? [REDACTED]

23. a. A: Yes, since there were only DA guards when the DA police first came to be, they were the trainers and co-workers.

23. b. Q: Are DA Police Officers paired with New DA Guards? If yes, why?

23. b. A: There has not been any new hire DA Guards since the DA Police hiring process began in late 2008 so there wouldn't have been any "new hire" guards being trained.

23. c. Q: Are DA Police Officers paired with other DA Police Officers? If yes, why?

23. c. A: Since the DA Police have been around for nearly 2 years now, there is no reason why new DA police officers couldn't be trained by seasoned DA police officers. Again, when the DA Police first started at ANAD, there were only DA guards. The only issue may be for those that aren't CPRP certified.

24. Q: Do you believe DA Guards and DA Police Officers received adequate security training to perform the required tasks at a security post prior to being assigned to that post? Why or why not?

24. A: Yes. As mentioned above they all receive the initial 160 hours of training and several weeks of OJT for various functions (posts/patrols) that they may have to work. Also, all posts require more than one person at a location so new hires are never left alone. There are some one vehicle patrols but a DA Guard or Police Officer would be assigned to a one person patrol until fully trained to perform that vehicle patrol function.

25. Q. What should a DA Guard or DA Police Officer do if they were confronted with a task or situation, while at their security post, and they were unsure on how to proceed?

25. A: As mentioned in #24, all posts have more than one employee at a location. This is for safety reasons. The individual can do one of multiple things; look in the POI/SOPs for their particular location they are working, ask a co-worker or contact a supervisor to request additional guidance.

26. Q. Has DES, ANAD established a Field Training Program (FTP), IAW 190-56)?

26. A: Yes

27. Q: Can you describe in your own words what the Field Training Program is?

27. A: It is a requirement under AR190-56 for all DA Police officers to undergo 240 hours of training after completion of the DA Police academy or the granting of a waiver for academy attendance. This training is geared for the professional development of the individual officer and to enhance and expand upon the training received at the academy. Further it is a tool in

[REDACTED] which supervisors/trainers are allowed to evaluate the initial performance of a new hire to ensure that they are quality material to perform as a police officer. If personnel don't perform well during the training program it can be used as a tool for elimination or to provide additional training in weak areas. The FTP is an attempt to provide a trained and well rounded officer.

28. Q: Who is required to receive security training as part of the FTP?

28. A: The main emphasis is on the DA Police. They go through a 240 hour FTO program upon completion of the academy or granting of a waiver.

29. Q: When and why did DES, ANAD establish a FTP?

29. A: The Field Training Officer program to the best on my knowledge was first identified in the 2006 version of AR 190-56. The 2006 version of AR 190-56 had never been negotiated with the Union prior to the 2009 version coming out. Based upon this, the full implementation of AR 190-56 was never put into motion at ANAD, because of the existing contract with the local AFGE 1945 and guidance received in a memorandum from [REDACTED]. New provisions in AR 190-56 had to be negotiated with the Union. After the 2009 version came out the DES and Union started negotiating the new regulation in DEC 2009 and we are still in the process of doing so today. Due to the importance of the Field Training Program for DA Police, the Director mandated in JUL 2010 that the ANAD DES would start the FTO program. LT's from each shift were appointed in writing to perform the additional duties of FTO. While DES formally implemented a FTP Program in Jul 2010, it always had a training program which virtually covered all aspects of the FTP.

30. Q: Prior to establishing the FTP did DES, ANAD have a published Security Training Program for Police and Guards? If yes, for how long, and describe it.

30. A: I am not sure how many years it goes back, but I have seen training plans back to 2005, and I know that annual training plans have been published and approved by the Director. The training plan consists of new hire training, Police Officer FTP training as well as required annual training mandated by USAMPS and other agencies.

31. Q: Are DA Guards and DA Police Offices both enrolled in the FTP?

31. A: As mentioned before, the main emphasis is on the DA Police. Currently there is no formal USAMPS academy that a DA Guard must attend. The only requirement for DA Guard training is 80 hour of instruction based upon lesson plans provided by USAMPS. The DA Guards get this training during their new hire 160 hour training program.

32. Q: What is included and how do you present FTP related training? [REDACTED]

32. A. Training under the FTP is conducted in both an instructional mode and hands on. During the 240 hour program there are specific tasks that must be completed over the course of the program. The material taught is using USAMPS provided POIs and local produced materials (unique ANAD requirements).

33. Q: How do you document FTP Training?

33. A: A FTO book is created on each DA Police officer. During the training as various tasks are completed, it is signed off on by both the FTO and individual officer. Also, as each day progresses during the 240 hour training period a Daily Observation Report is done that provides a critique on how the officer performed. There is also a weekly status report.

34. Q: How do you document local and recurring security training for DA Guards and DA Police Officers within DES?

34. A: Training is conducted per the annual training plan. As training is conducted Sign in Rosters are maintained for each block of instruction. Copies are maintained by respective divisions with originals maintained by the training officer.

35. Q. What local security training do you present to new DA Guards and DA Police Officers that are hired by DES, ANAD?

35. A. There is a 160 hour block of instruction. This is not the FTP but there is overlapping coverage on subjects. All tasks are covered in the annual training plan.

36. Q. What local training do Police or Guards receive before being assigned to a specific post? Are there any differences in the training each receives/ If so, describe?

36. A: As mentioned in #22 above, all personnel receive the same training whether a guard or police officer. Since all can perform the same functions and have for years, the training received is the same for all. As for specific posts, there are POI's and SOPs that address each location and prior to assignment to a particular location personnel are to receive required training.

37. Q: In addition to the training requirements outline in AR 190-56 does DES, ANAD provide any additional or specialized training based on specific missions performed at ANAD?

37. A: Yes. All material and topics are laid out in the annual training plan.

Security Force Duties:

38. Q: How is your Security Force within DES, ANAD organized? [REDACTED]

38. A: We are broken down into two main division that handle both day and night shifts. Each division has a Division Chief (major), Division Captains, Division LT's, Desk Control Officers (SGTs) and then a combination of DA Police/Guards.

39. Q: How many DA Guards are authorized and on hand?

39. A: I believe 154 authorized and 123 on hand as of 17 NOV 2010.

40. Q: How many DA Police Officers are authorized and on hand?

40. A: I believe 47 authorized and 44 on hand as of 17 NOV 2010.

41. Q: When was the first DA Police Officer hired and what grade levels are being hired?

41. A: I believe it was OCT 2008. They were all hired at a GS6 grade level.

42. Q: What prompted ANAD to hire DA Police Officers to replace DA Guard vacancies?

42. A: It was before my time, but based upon historical documents from command briefings, I believe the decision was made in order to obtain a more capable work force. One of the problems with hiring only DA guards is that there is no specific requirement to have law enforcement experience. DA guards were created years ago as a means to employ military veterans.

43. Q: Who made the decision to add DA Police Officers to DES and why?

43. A: I believe it was prior commanders. I cannot answer the why since I wasn't here at the time so will have to defer to the Director for historical knowledge but believe it ties in with my answer to #42.

44. Q: What has the impact of that decision been on day-to-day security operations?

44. A: I have not seen any impact since my time from an operational standpoint. The main impact I have seen from a very small minority is a few of the DA Police feel they are above the quality of the guards. A majority of the DA Police are happy to be here and happy to have employment.

45. Q: Does DES, ANAD have an SRT and is it a full time force?

45. A: Yes there is a team and it is full time.

46. Q: How long has ANAD had an SRT?

46. A: I am not sure but it has been in place since I have been here (March 2009) and believe for several years before that. [REDACTED]

[REDACTED] 47. Q: Who is assigned (DA Guards, DA Police, etc.) to the SRT and why?

47. A: The ANAD DES team consists of 10 authorized personnel. Currently there are 8 guards and 1 police officer (not USAMPS school trained, a previous ANAD SRT member as a Guard who is being converting to a DA Police Officer and will attend next available academy). We are in the process of hiring the 10<sup>th</sup> SRT position which will also be filled by a DA Police Officer. Based upon the command decision to hire only DA police for the future as attritions occur, all guards will be replaced with DA police.

48. Q: Does the SRT perform both guard/protective services and law enforcement/security police functions? If yes to either, describe.

48. A: They perform all functions listed plus they are required to be able to perform the specialized functions of a SRT unit (hostage, barricaded suspect, high risk warrants, sniper/counter sniper, reconnaissance missions etc.),

49. Q: Do Guards and Police Officers assigned to DES (Non SRT) both perform guard/protective services functions? If yes, describe.

49. A: Yes. The position of the DES is that all personnel are capable of performing any mission. As mentioned before, it wasn't until late 2008 that the DES first started hiring police officer. There has not been any decision to specifically split functions to either strictly guard or strictly police.

50. Q: Do Guards and Police Officers assigned to DES (non SRT) both perform law enforcement/security police functions? If yes, describe.

50. A: Yes, both series are able to and do perform full functions as required. There is no set distinction between the series. Again, this goes back to the fact that up until 2008, guards were the only source of security or law enforcement for the installation, except for two criminal investigators who handled felony level crimes.

51. Q: Who approved the job descriptions for the DA Guard, DA Police Officer, and SRT positions.

51. A: They were approved by various garrison commanders depending upon when they were last classified.

52. Q: Which CPAC and CPOC services DES for hiring actions?

52. A: Our local office here at Anniston along with the virtual staff in Huntsville, AL. [REDACTED]
